Dear Sir,

RE - OSUN VILLAGE CONCEPT IN MIAMI, FLORIDA

As directed.

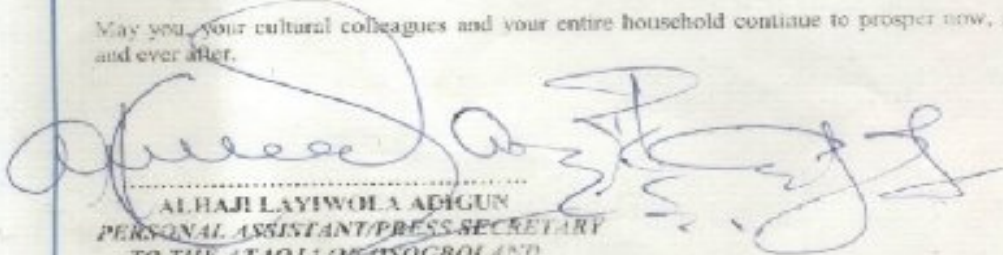

Your letter dated November 17, 2007 on the aforesaid subject-matter refers.

It is my pleasure informing you that the letter was acknowledged with much enthusiasm by the *Ataoja of Osogboland* whose love and interest in the propagation of African culture is unequalled.

Second, I wish to register the monarch's appreciation for your untiring efforts for the legislative approval given to the pet project-Osun Village and African Caribbean Cultural Arts Corridor Initiative. This, indeed, is a testimony to further institutionalize and universalize the *Osun Gbagbe International Cultural Heritage*. Accept the monarch's congratulation on this effort.

In view of the foregoing, *His Royal Majesty, the Ataoja of Osogboland* has given you the go-ahead in your pursuit not only at show-casing the beauty of African civilization (Osun Gbagbe) in the diaspora but also making it a governmental affair in the USA.

May you, your cultural colleagues and your entire household continue to prosper now, and forever and ever after.

ALHAJI LAYIWOLA ADIGUN
PERSONAL ASSISTANT/PRESS SECRETARY
TO THE ATAJOJA OF OSOGBOLAND
